Welcome to Week 2

What an amazing school we have. The Tallimba school community of parents, staff and students are being very supportive while I become familiar with the way the school and community function and it is genuinely appreciated. The children are such interested learners and display lovely manners. All staff have made me feel very welcome and I am very impressed by their professionalism. Tallimba Public School certainly is a 'little school achieving bigthings'.

The FRIENDS program got off to a great start with many students commenting on how much they enjoyed the lesson which included some mindfulness activities, games requiring cooperation and discussion around what makes a good friend.

We have been training hard for the Cross Country Carnival which is at Weethalle tomorrow. Travel will be by bus with the carnival expected to commence at 10am. Children will need to bring some snacks, water and their hats. Good luck everyone.

Next Friday is the Lower Lachlan Cross Country Carnival at Tullibigeal. Children will be advised this week if they are participating in the District Carnival. Transport will be by private vehicle.

For students arriving late or leaving early from school, they must go via the office. If Mrs Semmler is not at school please enter the details into the Absences Register book in the office. School hours are from 9am to 3pm. To ensure classes start on time, we ask that every effort is made to have students here

by 8.55am. This will ensure that our attendance rolls are accurate and that students are not marked absent due to a late arrival. It is also important to keep an accurate record so we know who is on site in case of an emergency.

Library for K-4 has moved to Thursdays. Years 5 and 6 will have library on Wednesday.

Thank you to the P & C for organising the Mother's Day stall which will be held this Friday.

Have a great week!

Melanie Johnson
Relieving Principal
Tallimba PS

Loving learning!
