### Welcome back to Term 3!

We hope everyone enjoyed their break and have returned re-energised and ready for a new term of learning.

We welcome Mrs Denise McDermott to our school who will be teaching Yr 5/6 for Mrs Johnson in Week 1 and 2, whilst she is on Long Service Leave. We hope she has an enjoyable couple of weeks here with us.

Our Term 2 Recognition Assembly was held on Friday 6<sup>th</sup> July. Congratulations to all the award winners. Thank you to everyone who attended. It was wonderful to see so many parents and relatives attend. Congratulations to the Infants and Primary students who shared their portraits with us, as part of the Petite Picassos fundraiser. We would also like to extend a thank you to Mrs Lisa Haworth for her efforts in creating a fantastic movie for us to view of the children explaining where their inspiration came from for their portraits.

Our Athletics Carnival is scheduled for this Friday, 27<sup>th</sup> July. It would be of great assistance if there are parents who are able to help at the carnival. If you let staff know on your arrival, they will allocate a job to you.

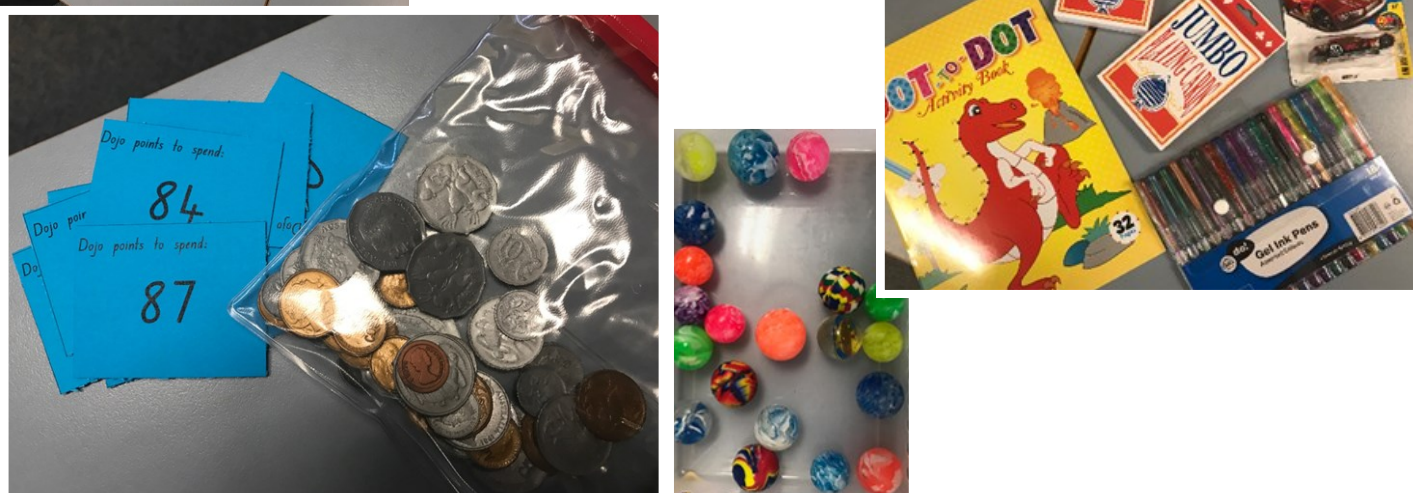

We are introducing a new award for citizenship this term, as part of our Positive Behaviour for Learning framework. The Citizen of the Week award will be presented to a student who not only shows respect, has a good attitude and helps others, but displays responsibility by way of completing set tasks, listening and following directions. We will be looking closely for students displaying qualities of being a good citizen this week. This special award will be presented to the deserving recipient at morning assembly next Monday.

enjoyed an opportunity to 'spend' their Class Dojo points, at the end of last term. Our Class Shop will be a regular reward at the end of each term, in line with our Behaviour for Learning framework. Each student is provided with play money to the value of their accumulated dojo points for the term and have the chance to spend money on items in the class shop. This is a great opportunity not only to practise using money, but the children are also encouraged to 'save' dojo points to spend at future class shops.

*Girl Over the Edge*, is Kim's second memoir, about her lived experience of mental illness.

Kim's presentation will give you insight into mental illness, challenge your beliefs and attitudes, and reduce the stigma in society around mental illness.
