Thursday 16th August

- Trent Barrett Shield—
Temora

Wednesday 22nd August

- Tree Planting Day

Tuesday 25th September

- School Photos

Welcome to Week 4!

It was lovely to see so many families attend our Education Week Open Day. It was a privilege for our students to showcase their talents which are many and varied. They sang for you, displayed their artwork for you, they carefully chose the work they are most proud of to display in class for you and they enjoyed the fun afternoon filled with games and laughter. What made the day so special was your attendance. Thank you for coming and sharing some of our achievements with us. We have some awesome photos to share.

The book fair was a winner with many books being sold. Thank you for your support, as funds raised will be allocated to resourcing the Library.

The students will be involved in a community tree planting day on Wednesday 22nd August. The council are providing the trees to plant plus their expertise. They will reward the students with a free sausage sizzle and drink as a thank you for their help.

This week's Citizen of the Week is Josh Hooper. Josh is a very polite student with a keen sense of what's right. He enjoys school and always tries his best. He cooperates with his classmates and is a keen and willing helper. Well done, Josh!

Good luck to all the students who are competing in the District Athletics Carnival. Dan Quade and Rowdy Thompson are participating in the Trent Barrett Shield this Thursday in Temora. We wish the boys the best of luck and we know they will be wonderful ambassadors for our school.

Our Positive Behaviour for Learning (PBL) journey is progressing well with the school values/expectations being announced shortly. Mrs Mitchell the Assistant Principal PBL visited our school last term to perform the School Evaluation Tool (SET) which gives us valuable baseline data to use as a measurable starting point for the program's implementation. The staff attend regular fortnightly meetings where they discuss all things PBL. This Wednesday's meeting focus is the team's action plan.

Our P&C have been busy behind the scenes fundraising for the school. The next P&C meeting will be Friday August 31st at 1.30pm. The staff and students would like to thank you for your continued support and we welcome any parents or community members who would like to attend the meeting and be a part of the P&C.

Have a good week!

Melanie Johnson
Relieving Principal

Good luck to!

Rowdy and Dan—Trent Barrett Shield

Practicing their march past.

Week 6 Book Week 2018

Tallimba Public School will be celebrating Book Week again this year. We will be having a dress up Book Character Day on Tuesday 28th August in Week 6. Students and staff are encouraged to come to school dressed as their favourite book character. They will also be participating in a range of fun literacy based activities programmed around three of the CBA shortlisted texts for 2018.

Students have been asked to start thinking about who they can come dressed up as on the day. Please be mindful that often the best costumes can be simple and put together with everyday clothing and items that can already be found at home. Store bought costumes aren't necessary. Think creatively!

The Book Week theme this year is **'Find your treasure'**. We love books at Tallimba and we enjoy finding the treasure and value they have whether they have imaginative, informative or persuasive purposes.

EDUCATION WEEK

What a fantastic celebration of our students learning. We couldn't have had such success without the dedication of our teachers, the co-operation, interest and commitment of our students and the wonderful support of our parents and community.

A wonderful Open Day and Book Fair filled with song, open classrooms, and crazy games.

Thank you for sharing it with us.

INTRODUCTION: BLAND SHIRE COUNCIL ENVIRONMENTAL LIAISON COMMITTEE & SMALL ENVIRONMENTAL PROJECTS FUND

Hi There,

As the Local Landcare Coordinator, I've been working with Bland Shire Council on the establishment of an Environmental Liaison Committee (ELC). The ELC was established as a means of re-engaging with community groups who are undertaking or would like to undertake environmental projects within the Shire.

The ELC would assist in bringing the community together to discuss and address local environmental concerns and project ideas. A Small Environmental Projects Fund has also been implemented in conjunction with the Environmental Liaison Committee.

The Small Environmental Projects fund would provide kick-start/seed funding to encourage you to undertake projects/works that improve, enhance or protect the environment or that educate the wider community about natural resource management issues or projects. Grants of up to \$1000 will be devolved by Bland Shire Council via the ELC.

We will be holding the **first meeting for the ELC on Wednesday the 15th of August in the Council Office Committee Room at 5:30 – 6:30pm.** We invite you and members of your school/group/organisation to attend. This will be an introductory meeting where we'll provide you with more details about the ELC and how you can apply for funding.

Please send your RSVP's to me by either email or phone blandtemora@lachlandcare.org.au / 0499 199 076 or Glenn Neyland on gneyland@blandshire.nsw.gov.au / 69 722266.

We hope you can make it along.

Kind Regards,
Brittany Turner

Bland-Temora Local Landcare Coordinator

Junior Cattle Judging & Parader's Competition
