**Thursday 13th December**

- **Presentation Night—**  
6.30pm

**Tuesday 18th December**

- **Pool Fun Day—**  
West Wyalong

## Welcome to Week 6

Last week's swimming lessons went well with all students enjoying the opportunity to improve their swimming skills and gain valuable water confidence. Swimming for sport will be held every Wednesday over the next four weeks. All of our students were extremely well behaved and wonderful ambassadors for our school. Outstanding job, everyone!

Maxine Mitchell the Assistant Principal Positive Behaviour for Learning (PBL) will be visiting tomorrow to discuss our future directions for 2019. Over the coming weeks teachers will discuss in depth our school values, 'respect, responsibility and citizenship'. This weeks focus is 'respect'. In class, students will actively contribute to what respect looks like, sounds like and feels like at Tallimba Public School. This process is invaluable in building shared ownership of our PBL values.

Thank you to families from Mrs Quade's class who have returned the 'Got it' program surveys. A reminder to return the survey by this Friday, if you haven't already done so.

As part of our end of year celebrations the students will be involved in 'Tallimba's Got Talent'. This will be held on Tuesday the 11<sup>th</sup> of December at midday. The program will include Mrs Buttenshaw's piano students recitals, as well as the inclusion of items from other students who want to entertain us. Students may enter either as a group or individually.

Well done to all students for wearing their hats at school. We are very mindful of the importance of sun safety. Students have been involved in activities which help them to un-

derstand why sun safety is important and how to take action to protect themselves from the sun. These strategies include wearing sunscreen, a broadbrim hat and seeking shade during peak ultra violet radiation times during the school day.

Intensive swimming commences next Monday and runs every day for two weeks. Families of students involved have been contacted and are reminded to return permission notes. Thank you to parents who are helping with transport. Mrs Quade is the teacher contact for any swimming related inquiries.

Kindergarten Orientation went very well today with our new students having an awesome time. They were happily engaged in activities relating to Mem Fox's book "Where's the Green Sheep?" I'm sure they will share enthusiastic recounts of what a warm welcome they received today by all and in particular Mrs Quade.

We are looking forward to our formal Presentation Evening which will be held on Thursday the 13<sup>th</sup> of December, commencing at 6.30pm.

Congratulations to Clare Hueske who is our Citizen of the Week. Clare is a cheerful and cooperative class member who cares for others. Clare enjoys all aspects of school life. Well done, Clare!

Our P&C meeting is this Friday commencing at 1.15pm. The earlier start is needed to allow discussions around policy review and 2019 future directions. Looking forward to seeing you there.

*Melanie Johnson*  
Relieving Principal

# Kindergarten Orientation

# Tallimba's Got Talent!

**Date: Tuesday 11th December 2018**

**Time: 12:00pm followed by recess**

**Location: School Creative Arts Room, Tallimba PS**

**Who: All K-6 students are invited to show off their talents to our school community. Parents and carers are most welcome to attend our talent show.**

**What to bring: Please bring any props, instruments or music required for your performance. You may like to bring a food plate to share for afternoon tea at recess.**
