Tuesday 18th December

- Pool Fun Day—West Wyalong

Wednesday 19th December

- Last day of term.

Welcome to Week 7

As we prepare for the end of year celebrations, our school calendar has become very busy. Please note the upcoming end-of-year events.

Students continue to impress at swimming with their enthusiasm and behaviour. Swimming is a life skill that can save lives and is an integral part to our PD/Health/PE program. It is imperative that all students attend the swimming program unless the student is unwell or an urgent medical or family appointment is scheduled on this day. **Please note that students are not permitted to purchase anything from the pool canteen**

Our next Kindergarten Orientation will be Tuesday 4th of December. Kinder orientation days are special days for our school. It is so lovely to see our new Kinders' warmly welcomed and cared for, by all of our students and staff.

Miss Goonan will be taking entries for Tallimba's got Talent. All of Mrs Buttenshaw's students are already entered in the piano recital section of the show. All students may wish to be part of a group or enter as a solo performer.

This week is our last week for borrowing from the library. All books are to be re-

turned to school by Friday December, 7th for our annual stocktake.

Thank you to the parents who contributed feedback at our P & C meeting. It is an important part of our yearly school plan review, as it helps to define future directions.

Our gardening project commenced last Friday with an orientation lesson. A big thank you to Nell for organising gardening for the students. If you are interested in helping, please contact the school.

Congratulations to Mary Quade who is our Citizen of the week. Mary is a kind, considerate student who tries hard. Mary happily plays with her friends during lunch and recess. She enjoys all aspects of school life. Well done, Mary!

Melanie Johnson
Relieving Principal

PBL News

Our three core values as voted by our whole school community earlier in the year are:

- Respect
- Responsibility
- Citizenship

Last week each class began completing a Y-chart about what respect looks like, feels like and sounds like at school. We will continue teaching respect lessons over the coming weeks and reinforcing positive respectful communication and behaviour in all settings at school.

We welcome Oscar Fleming to Tallimba Public School

Well done Elvis and Ella on receiving your Pen Licence.

Congratulations!

Date: Tuesday 11th December 2018

Time: 12:00pm followed by recess

Location: School Creative Arts Room, Tallimba PS

Who: All K-6 students are invited to show off their talents to our school community. Parents and carers are most welcome to attend our talent show.

What to bring: Please bring any props, instruments or music required for your performance. You may like to bring a food plate to share for afternoon tea at recess.

Kinder Best Start Meeting

11th December 2019
