

Welcome to Term 4, Week 3

Our students participated in a NRL clinic on Tuesday, lead by the NRL Game Development Officer, Chris Hanneman. All students enjoyed the planned activities and their taste of NRL skills.

Tomorrow we are off to the NAIDOC celebrations at Lake Cargelligo. A reminder that the bus will be leaving here at 7.30am and return by 4:15pm. Please ensure your child is in full school uniform with their hat packed. A sausage sizzle lunch is provided, however, as it's a long day I suggest you pack extra snacks, as well as recess. There will be a canteen running on the day.

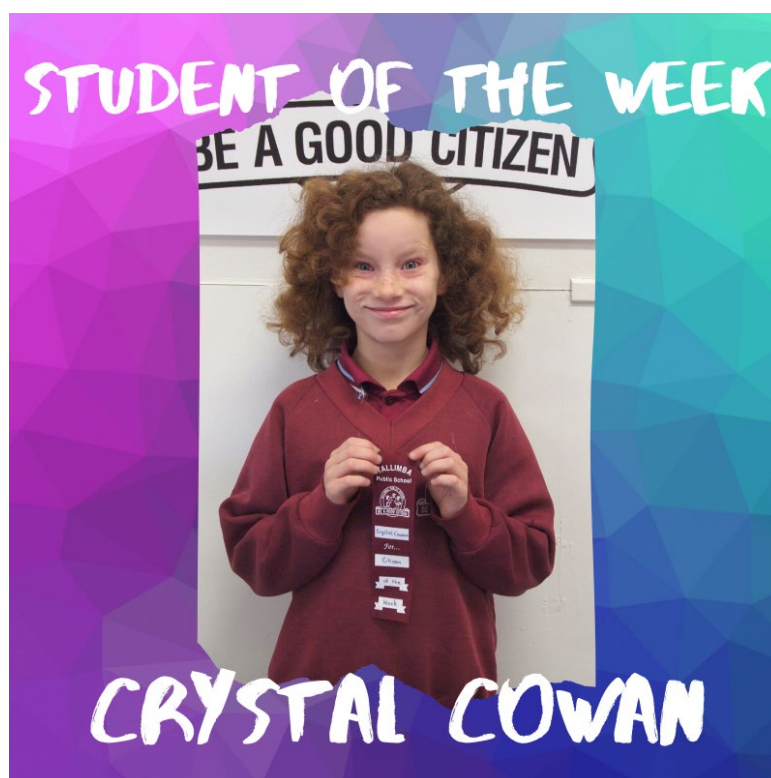

We held our P & C AGM last Friday and as a result, have a new team. They are Jonathon McKenzie - President, Katrina Jones - Secretary, Tamika Oxenbridge - Treasurer, and Tanya Hueske - Assistant Treasurer. I would like to thank our outgoing President Karen Protheroe and Treasurer Tanya Hueske, for all their hard work and the dedication they have shown to our school and its students. Tanya has agreed to stay on in the role of Assistant Treasurer in the short term, so that she can finalise a project she has already started as Treasurer. I am looking forward to the continued success of our P & C and the vital work it does to support our school.

Next week, the primary students are off to camp. We will be leaving school Wednesday at 8:15am and returning to Tallimba by 3:45pm Friday. If you have any queries regarding the camp please phone the school. Final payments are now overdue. Please call the office to make arrangements, or use the school website to make a payment online.

Congratulations to Crystal Cowan who is our Citizen of the Week. Crystal is a valued member of our school and always gives her best. She is a kind and polite student who upholds our school values of respect, responsibility, and citizenship. Well done, Crystal!

Thank you to Chris from NRL League Stars for coming out to show us what the League Stars program is about, and teaching us all some NRL skills.

2020 school travel applications now open

To assist with any enquiries you may receive regarding student travel applications, we have provided some information below.

Applications for student travel in 2020 opened on Friday, 11 October 2019.

Students progressing to year 3 and year 7 no longer need to re-apply *if* they:

- are continuing at the same school
- are residing at the same address
- have *not* been sent an expiry notification from Transport for NSW.

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

Term Bus Pass holders will receive a notification to re-apply.

If students need to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2019 to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2019, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out from January 2020.

Students residing in Rural and Regional (R&R) areas should receive their travel pass at the commencement of the new school year from their nominated operator, this may be distributed via the school or sent direct to their address. **Note:** some R&R operators do not issue travel passes. Students/Parents should confirm with their nominated operator if they do not receive a pass.

The NRL League Stars program visited our school earlier this week.

This program is open to students aged from 5 to 8 years and costs only \$75 per participant.

The League Stars program caters for children of all abilities, with a focus on developing fundamental movement skills in a non-contact inclusive environment, through participation in Rugby League based games.

The program is run by experienced NRL development coaches and staff.

Every participant will receive a cool League Stars pack which will include a backpack, ball, ball pump, shirt and stickers.
