

## Welcome to Term 4, Week 2

We are looking forward to visiting Lake Cargelligo next Friday, November 1, to join in their NAIDOC activities. The students will be travelling by bus which will leave school at 7:30 am and return around 4:15 pm. The permission note will be sent home today.

Our gardening program is in full swing thanks to Nell's dedication. Mark has built two new garden beds which will allow students to work in pairs tending to their designated garden. Thank you to the Oxenbridge family for donating a lot of seeds and pots, collected when shopping at Woolworths. Nell is very happy to put them to use!

We are in the midst of organising swimming lessons for the whole school and the Intensive Swimming Program. Keep your eye out for permission notes with information about these exciting upcoming events.

As part of my evaluation of the school plan I am currently seeking feedback from students, teachers and parents through the *Tell Them From Me* survey. Students have completed their surveys at school. I would appreciate your feedback and have sent all families an email link. You will also be able to complete the survey at school either before or after this week's P & C meeting. Thank you in advance for your support.

Kindergarten Orientation will commence in Week 6 this term. Mrs Quade will contact all families to discuss the Kindergarten Information Session. Our new students are invited to join in the K-2 classroom over three weeks. Information relating to this activity will be sent to those families involved.

Thank you to those parents who have already paid their Voluntary Contribution and Resource Levy. The Voluntary Contribution Fee for 2019 has been set at \$30 per child. The Voluntary Contribution fee is capped at \$50 per family. Payment can be made at the front office and online through POP. Thank you for your ongoing support.

Just a reminder that if your child is on leave for holidays or other reasons, it is Department of Education policy for parents to complete an 'Application for Extended Leave' when they take their children out of school for more than 5 school days. The application is available at the front office.

Congratulations to Sam Thompson who is this week's citizen of the week. Sam is a considerate, well-mannered and responsible student, in both the classroom and on the playground. Well done, Sam!

## 2020 school travel applications now open

To assist with any enquiries you may receive regarding student travel applications, we have provided some information below.

Applications for student travel in 2020 opened on Friday, 11 October 2019.

Students progressing to year 3 and year 7 no longer need to re-apply *if* they:

- are continuing at the same school
- are residing at the same address
- have *not* been sent an expiry notification from Transport for NSW.

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

Term Bus Pass holders will receive a notification to re-apply.

If students need to update their information or re-apply, they should go online to

<https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2019 to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2019, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out from January 2020.

Students residing in Rural and Regional (R&R) areas should receive their travel pass at the commencement of the new school year from their nominated operator, this may be distributed via the school or sent direct to their address. **Note:** some R&R operators do not issue travel passes. Students/Parents should confirm with their nominated operator if they do not receive a pass.
