Friday 22nd March

Welcome to Week 3

On Monday Tallimba and Weethalle students competed in our combined swimming carnival. Well done to all the students who participated. The sportsmanship and effort displayed by our students was commendable. Thank you to the parents who volunteered their time to help as time keepers. These carnivals would not be able to run as efficiently without your support. A special congratulations to Jake Burns who was the awarded the carnival's Senior Boy Champion. Tallimba's age champions and winning house will be announced at our assembly in Week 6.

Next Friday is the Lower Lachlan District Swimming Carnival. Those children who qualified will be

notified by the end of the week.

This year we are introducing a 'touch base with your child's teacher' time. This time is not intended as an academic review but rather a time for you and our teachers to meet and discuss your child and how they are settling into the new school year. These meetings are set down for next Thursday. A separate note will be sent home in regards to a time. We hope to see you there.

Congratulations to Jude Anderson who is our Citizen of the Week. Jude is a kind and cooperative student who is always gives his personal best. Well done, Jude.

Have a great week!

Melanie Johnson
Principal

2019 Swimming Carnival

**Jake Burns
Senior Boy
Champion**

School gardening is a very popular activity in both our infants and primary classes. The children are enjoying the opportunity to participate in this fabulous hands on project.

If you haven't sent in gardening gloves yet, please do this soon. We have a limited supply here at school, and it would be great for all the children to have a set to wear to protect them as they learn.

Our school participates in Scholastic Book Club which means that twice a term a catalogue will be sent home with a fabulous selection of different books for all ages. One of the best gifts we can give children is a love of books and the joy and benefits of independent reading.

Children who read at home, or are read to, have a head start on reading success in school.

It is easy to order. Either fill in the order page in your child's catalogue and return it to school with the correct money, or order online using the Book Club LOOP platform, which allows parents to pay by credit card.

If you want to pay by credit card, place your order at scholastic.com.au/LOOP.

This is the easiest way to place your order, and there are bonuses for you if you place your order this way.

Thank you for ordering – remember all orders earn our school reward points which we then use to obtain new resources for our school.

All orders for the current catalogue must be placed by Wednesday 20th February, whether via school or the website.

If your child has lost their catalogue, it can be viewed online at
