## Welcome to Week 5

Congratulations to all students who participated in the Lower Lachlan PSSA Swimming Carnival at Lake Cargelligo last week. All students swam well and represented our school with pride. Thank you to all the parents who transported children to this day and Mrs Reid for time keeping.

Next Wednesday is our first whole school assembly for the year. The assembly will be held in the Library and commence at 2pm.

This Friday all students will join in the 'Clean up Australia' campaign. This Nationwide day of action brings into focus the importance of disposing of our rubbish in an appropriate way and how working together we can help the environment.

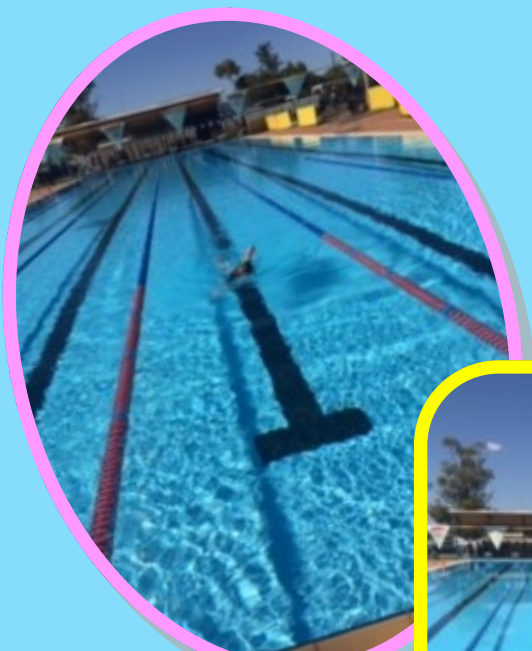

Well done to Sam Thompson who is our Citizen of the Week. Sam is a friendly student who reflects our school values of respect, responsibility and citizenship in all aspects of school life. Keep up the great work, Sam!

Have a great week!

# 3D Printing with Mrs Haworth

This term, we have been using a 3D printer as part of the STEMShare program. Tanya Riach demonstrated how to design projects on TinkerCad and use the FlashForce Printer to print them on the first day of term and we have been tinkering ever since!

Our students have been exploring the design process, solving problems, making mistakes and learning so much along the way. We have discussed the real world applications of 3D printing and how it can be used to improve the lives of so many people around the world.

Clean Up

We will be participating in Clean Up Australia Day again this Friday 1st March, at 10:30am. We will be walking from the school to the park and surrounding streets, cleaning up as we go.

A great, family friendly FUNdraiser for RDA (NSW) West Wyalong Centre

Please remember to notify the school if there is a change in arrangements for how your child is leaving school. This is another area where it is vital that we have an accurate record, even if the person you've arranged has picked up your child many times before. A quick phone call is best, as the email inbox isn't monitored every day.

Please return your Life Education notes and money as soon as possible. Merchandise money is paid on the day, so there is no need to send that in now.

FOR A SAFER, SMARTER LIFE.
