Welcome to Week 9

Harmony Day and the Life Education Van visit were a highlight last week. Congratulations to all of our students. It was fantastic to receive such lovely feedback about how well-mannered our students are and how eagerly they participated in all planned activities.

Joe Quade will travel to Parkes tomorrow to trial for the Western PSSA AFL team. Good luck, Joe!

The Combined Cross Country will be held next Friday. Thank you to the P & C for catering. A note re participation and meal deal will be sent home separately. We are aiming to start around 10am. We will be looking for some volunteers on the day to help run a successful carnival.

Our Robotics Parent Workshop this Thursday will be commencing at 2pm. We hope to see you there.

Towards the end of term, our year 4-6 students will be taking part in the Tell Them From Me student survey. Information is coming home along with a note which needs to be signed and returned if you **do not** want your child to participate.

Thank you to those parents who have responded to our request for help with the reciprocal reading part of our MacqLit program which will commence next term. Mrs Quade will be running the training next Thursday, April 4th between 2-3pm. All parents are invited to attend this training.

We are planning an Easter Hat Parade for the last day of term. More details to come.

Congratulations to Chelsea Oxenbridge who is our Citizen of the week. Chelsea is thoroughly engaged in all aspects of school life. She is well mannered and respectful. Well done, Chelsea!

Have a great week!
