Welcome to week 6

Another week has flown by and here we are halfway through the term. Our busy timetable will continue over the next few weeks with exciting events planned for students.

Next Tuesday we are travelling to Wyalong Public School to engage in a STEMshare day run by Tanya Riach the STEMshare coordinator. Some of you may remember Tanya as she ran the robotics parent workshop earlier this term.

On the 25th of June, we are off to Binya to participate in a circus-themed day. The day will consist of viewing a performance followed by a range of circus skill workshop sessions focusing on movement and team building.

Congratulations to all our mid-term assembly award winners. The assembly gives a variety of students an opportunity to showcase their learning. It's always lovely to hear such positive parent feedback about our presentations. Well done, everyone!

We would like to wish Lily Hueske and Jasmine Burns the best of luck. Both are competing in the Western Cross Country Championship next Wednesday.

NAPLAN testing is over again for another year for Years 3 and 5. The results will be made available from the state marking centre in Term 3. As well as giving feedback to families and teachers on individual children's progress, the annual 'big picture' data provided is valuable in setting and evaluating our school goals which are focused on improving learning outcomes for all students.

Congratulations to Joe Quade who is our Citizen of the Week. Joe recently represented the Western region in AFL. His coach contacted me to say Joe's sportsmanship and behaviour was exemplary. Well done, Joe.

On a final note, I'd just like to remind all families to please label all jumpers and hats. The cooler mornings and warm days have seen a spike in the number of discarded jumpers found around the playground, some brand new. Labels ensure their prompt return.

Have a great week!

Melanie Johnson

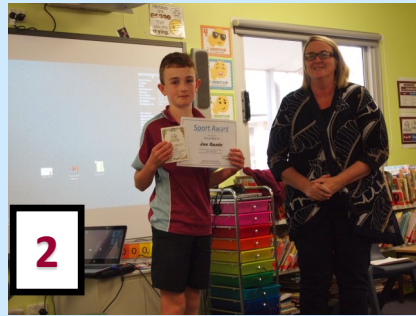

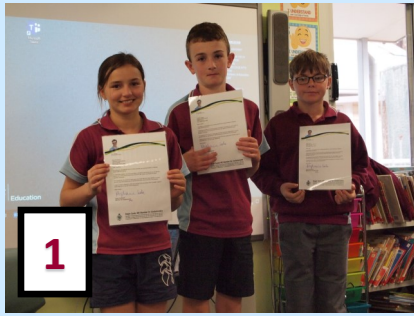

Principal

Citizen of the Week

Joe Quade

Mid Term 2 Assembly

1. Year 6 students presented with a letter from Steph Cook.
2. Joe Quade presented with certificate for exceptional representation at NSWPSSA Australian Football State Championships .
3. Chelsea Oxenbridge & Crystal Cowan received Fair Play awards.
4. Jude Anderson received an award for Home Learning. Teleah Oxenbridge and Oscar Fleming received class awards.
5. Viarna Oxenbridge and Rowdy Thompson received class awards and Lily Hueske received her award for Home Learning.
2. Ella Hueske received an award for Home Learning

Stage 3 Art

Mid Term 2 Assembly

Joe read us a recount of his experience at the GRIP event held at CSU Wagga.

Rowdy and Caleb demonstrated how force works.

Ella read a piece of creative writing that she had written in class.

Stage 1 entertained us with facts and jokes about Polar Bears

Don't forget to bring your library bag and the books that you borrowed last week, for Library on Friday.

CAN YOU FIND ALL OF THE FRUIT?

Please make sure that your child's clothing, hat, drink bottle and containers are labelled.

Sometimes children don't recognise their own belongings, so this makes it easier for us to make sure they go home.

We hope that everyone has a happy and safe Queen's Birthday long weekend.
