Welcome to week 8

Congratulations to Jasmine Burns and Lily Hueske who both represented Lower Lachlan at the Western Region Cross Country Carnival last week. Thank you both for being such wonderful ambassadors for our school. Well done!

Last Friday we held our P&C meeting. I would like to thank the P&C for their continued support. The children will benefit greatly from the new readers you agreed to help purchase.

Unfortunately, our trip to Binya and the circus performance was cancelled yesterday. I would like to apologise for any inconvenience. A note was sent home yesterday, regarding any money already handed in. Although the children were disappointed, they are looking forward our excursion to Griffith, to see The Twits.

Public speaking is a focus in the Primary classrooms at the moment. All children are preparing a speech assessment. Two Stage 2 children will be chosen to participate in the REIN Public Speaking Competition to be held via VC next Wednesday 26th June.

The end of term is fast approaching and our last week of term is looking particularly busy with the Athletics Carnival on Monday, Parent Interviews on Tuesday, Assembly on Wednesday and our excursion to Griffith on Friday.

Congratulations to Clare Hueske who is our Citizen of the Week. Clare is a cheerful member of class who happily engages with her learning. Mrs Quade and Ms Mawodza are particularly pleased with her focus when writing in class. Well done Clare!

Have a great week!

Melanie Johnson
Principal

Citizen of the Week

**Clare
Hueske**

Congratulations Jasmine and Lily on a fabulous effort at the Western Region Cross Country, and for being wonderful ambassadors of our great, little school.

Are You A Parent of a Child Aged 2 to 12?

The Parenting and Family Support Centre at the University of Queensland is conducting research into parents' opinions about parenting and parenting programs. If you have a child between 2 and 12 years, we would love to hear your views on parenting and the services that are available to you as a parent. You will need to complete a short survey. To find out more or to participate please visit <https://exp.psy.uq.edu.au/parenting>

Time for You to give A Frock!

'100% of NSW drought declared'. 'NSW is experiencing one of the most severe droughts on record'. 'The worst drought in living memory is sweeping parts of eastern Australia'. Yes, it's bad; devastating, in fact. The overwhelming cost of keeping stock fed and watered and replanting crops has put huge pressure on our household budgets. Tallimba, a small town in Central Western NSW, is no exception. As a farming community, we have been affected as much as, if not more than, many similar regions. However, like the great pioneers who worked together to build this district, we have decided to do something about it together.

Tallimba has a 28-student school, and the P&C of this wonderful little school is not going to sit around and wallow in misery and uncertainty. We have a fantastic idea to raise some money for our school, reward the ladies in our community with a great night out and invite others to our little town to celebrate the strength of sticking together through difficult times.

Between a Frock and a Hard Place

Tallimba P&C is hosting a 'Fashion Fundraiser' on the 31st August, 2019. There will be sparkling drinks on arrival, an elegant grazing table and a variety of clothes, shoes and accessories to buy. It will be a night of putting our troubles aside, a night to make ourselves feel a little better about our situation, a night to join with others just like us, for fun and a little bit of frivolity.

We are humbly asking you for a small donation of clothing, shoes and/or accessories to have available on the night to sell for a nominal price. All proceeds from the night will go directly to Tallimba Public School's P&C to help with the many out-of-pocket expenses that occur during the schooling years. Many of the families at Tallimba Public school have more than one child at the school, so these expenses can add up quite quickly. Rather than have these students miss out on opportunities because of a lack of funds, the P&C would like to do what we can to make the most of these opportunities.

Ladies in rural areas often miss out on social occasions due to farm, work, family and community responsibilities. On top of this, dedicating time and money to travel to a social event or purchase new clothes becomes the lowest priority when times are tough, even though now more than ever women in our community need a break and a night out spent with friends.

You can be sure that anything you donate will help us make this night a night to remember! Thank you in advance for your thoughtfulness and generosity.

If you have any questions, or feel that you are able to help us out, please do not hesitate to contact members of our P&C. They would love to answer your questions, discuss details etc.

Thanks for giving a Frock!

Karen Protheroe 0419983880/ kazprotheroe@hotmail.com

FRESHKIDS

CAN YOU HELP TAMARA TOMATO FIND HELMET
BEFORE SHE GOES SKATING?

Make sure you eat your eggs!

Egg yolks, especially those from chooks that are raised on farms where they can roam free and nibble on grass amongst other things, contain Vitamin K2, which makes your heart super healthy and strong. The yellow colour of the yolk is due to beta-carotene, which turns into Vitamin A when your body needs it, which helps keep your eyes healthy.

What is square and green?

A lemon in disguise

How do you make an artichoke?

Strangle it

What's the fastest vegetable?

A runner bean
