Welcome to week 9

Another term has flown by. Our students have been involved in a variety of learning experiences. Next Monday is the Athletics Carnival which will commence at 10am. Students are reminded to wear their house colours and make sure they have something warm to wear between events. Thank you to Mark & Rowena and the P & C who are catering, at no charge to you, on the day.

Reports will be sent home next week. I encourage you to discuss your child's report with them. Parent interviews are being rescheduled to Thursday 25th of July which is Week 1 next term. A note will come out later next week indicating your allocated time. Teachers are available at any time to discuss your queries in regard to your child's learning. This can be organised by contacting the office to make an appointment.

Thank you to all families who have returned their 'Twits' note. If you haven't done so already could you please return your note ASAP. If your child requires transport next Friday we need to know in advance so we can make appropriate arrangements.

Last week Mrs Quade and I travelled to Rankin's Springs Public School to take part in Professional Learning. The 'Additive Strategies' course focused on the latest research around the acquisition of 'number sense' and how teachers can differentiate tasks to best meet student needs.

Our end of Term assembly is at 2pm next Wednesday in the Library. We look forward to seeing you there.

Congratulations to Jessica Hardie who is our 'Citizen of the Week'. Jessica is a delightful student who is polite and cooperative. She has a positive attitude to her learning and is always keen to share her wonderful ideas with her peers. Well done, Jessica!

Have a great week!

Melanie Johnson

Principal

Citizen of the Week

**Jessica
Hardie**

As the term is drawing to a close, it is important that all Library books be returned ASAP. Library day is Friday. Any other day, the books can be left in the office on Di's desk with a note indicating who borrowed them.

Lost Clothes

At the end of each day, we try to make sure everyone goes home with their jumpers and hats. Young children can't pick out their belongings because they look the same as everyone else's. If you don't have a permanent marker, tell your child to come see Di between Monday & Thursday and she will do it for you.

Parent
Teacher
Interviews
have been
moved to
Thursday,
Week 1,
Term 2.

Can you help out
with running an
event at the
Athletics
Carnival? Many
hands make light
work, and we
really appreciate
every time you
volunteer.

Time for You to give A Frock!

'100% of NSW drought declared'. 'NSW is experiencing one of the most severe droughts on record'. 'The worst drought in living memory is sweeping parts of eastern Australia'. Yes, it's bad; devastating, in fact. The overwhelming cost of keeping stock fed and watered and replanting crops has put huge pressure on our household budgets. Tallimba, a small town in Central Western NSW, is no exception. As a farming community, we have been affected as much as, if not more than, many similar regions. However, like the great pioneers who worked together to build this district, we have decided to do something about it together.

Tallimba has a 28-student school, and the P&C of this wonderful little school is not going to sit around and wallow in misery and uncertainty. We have a fantastic idea to raise some money for our school, reward the ladies in our community with a great night out and invite others to our little town to celebrate the strength of sticking together through difficult times.

Between a Frock and a Hard Place

Tallimba P&C is hosting a 'Fashion Fundraiser' on the 31st August, 2019. There will be sparkling drinks on arrival, an elegant grazing table and a variety of clothes, shoes and accessories to buy. It will be a night of putting our troubles aside, a night to make ourselves feel a little better about our situation, a night to join with others just like us, for fun and a little bit of frivolity.

We are humbly asking you for a small donation of clothing, shoes and/or accessories to have available on the night to sell for a nominal price. All proceeds from the night will go directly to Tallimba Public School's P&C to help with the many out-of-pocket expenses that occur during the schooling years. Many of the families at Tallimba Public school have more than one child at the school, so these expenses can add up quite quickly. Rather than have these students miss out on opportunities because of a lack of funds, the P&C would like to do what we can to make the most of these opportunities.

Ladies in rural areas often miss out on social occasions due to farm, work, family and community responsibilities. On top of this, dedicating time and money to travel to a social event or purchase new clothes becomes the lowest priority when times are tough, even though now more than ever women in our community need a break and a night out spent with friends.

You can be sure that anything you donate will help us make this night a night to remember! Thank you in advance for your thoughtfulness and generosity.

If you have any questions, or feel that you are able to help us out, please do not hesitate to contact members of our P&C. They would love to answer your questions, discuss details etc.

Thanks for giving a Frock!
