Welcome to Term 3, Week 1

We are off to Rankins Springs tomorrow to compete in the Round Robin competition. Please ensure your child has adequate food and water for the day. Canteen orders have been finalised. The bus will leave promptly at 9am. A big thank you to the P & C who are funding the bus to this event.

Our end of Term recognition assembly celebrated a variety of student success. I would like to congratulate Jasmine and Jake Burns as well as Joe Quade for leading the assembly. Congratulations also to our athletics age champions and Talmore, the winning house from our Athletics Carnival.

Next week the primary students will be participating in the REIN Spelling Bee. All students have lists of potential words they may choose to familiarise themselves with them at home.

Thank you, Mrs Haworth, for organising the purchase of our new readers for our students to try out. Thank you Karlynda Oxenbridge for covering those for us so they will last us many years of reading. We will be purchasing more readers in the near future and we will be looking for more volunteers to cover them, when the time comes. Thanks again also goes to the P & C for providing funds for this purchase. Your support is invaluable.

Congratulations to Mary Quade who is our citizen of the week. Mary is an attentive learner who enjoys school. Well done, Mary!

Have a great week!

Melanie Johnson

Principal

Citizen of the Week

Quade**

The Twits

Our excursion to Griffith to watch The Twits on stage last term, was so much fun that we only managed to take one photo! Everyone enjoyed their time at the park before watching a great performance.

K/1/2 are talking about artefacts in class this term. Next week for news, they are asked to bring in an artefact from home that they can talk about. It might be, for example, an old bottle, a military medal, some embroidery that has been handed down. Please help them practice speaking about the piece they choose, so they can share the story and prompt discussion.

Time for You to give A Frock!

'100% of NSW drought declared'. 'NSW is experiencing one of the most severe droughts on record'. 'The worst drought in living memory is sweeping parts of eastern Australia'. Yes, it's bad; devastating, in fact. The overwhelming cost of keeping stock fed and watered and replanting crops has put huge pressure on our household budgets. Tallimba, a small town in Central Western NSW, is no exception. As a farming community, we have been affected as much as, if not more than, many similar regions. However, like the great pioneers who worked together to build this district, we have decided to do something about it together.

Tallimba has a 28-student school, and the P&C of this wonderful little school is not going to sit around and wallow in misery and uncertainty. We have a fantastic idea to raise some money for our school, reward the ladies in our community with a great night out and invite others to our little town to celebrate the strength of sticking together through difficult times.

Between a Frock and a Hard Place

Tallimba P&C is hosting a 'Fashion Fundraiser' on the 31st August, 2019. There will be sparkling drinks on arrival, an elegant grazing table and a variety of clothes, shoes and accessories to buy. It will be a night of putting our troubles aside, a night to make ourselves feel a little better about our situation, a night to join with others just like us, for fun and a little bit of frivolity.

We are humbly asking you for a small donation of clothing, shoes and/or accessories to have available on the night to sell for a nominal price. All proceeds from the night will go directly to Tallimba Public School's P&C to help with the many out-of-pocket expenses that occur during the schooling years. Many of the families at Tallimba Public School have more than one child at the school, so these expenses can add up quite quickly. Rather than have these students miss out on opportunities because of a lack of funds, the P&C would like to do what we can to make the most of these opportunities.

Ladies in rural areas often miss out on social occasions due to farm, work, family and community responsibilities. On top of this, dedicating time and money to travel to a social event or purchase new clothes becomes the lowest priority when times are tough, even though now more than ever women in our community need a break and a night out spent with friends.

You can be sure that anything you donate will help us make this night a night to remember! Thank you in advance for your thoughtfulness and generosity.

If you have any questions, or feel that you are able to help us out, please do not hesitate to contact members of our P&C. They would love to answer your questions, discuss details etc.

Thanks for giving a Frock!
