Welcome to Term 3, Week 6

Congratulations to Stage 3 who were involved in the RIEN Debating Competition yesterday. We competed against Rankins Springs who won the debate. Our topic was 'It's better to live in the country' and we were the affirmative Team. Jasmine Burns, Ella Hueske and Joe Quade all spoke well and were ably supported by Jake Burns and Elvis Cowan who were our team managers.

Next Thursday Rowdy Thompson, Lewis Oxenbridge, Jackson Protheroe and Dan Quade will compete in the Trent Barrett Shield which is a rugby league competition aimed at Stage 2. We wish the boys luck. I'd like to thank Mrs McCullough who has agreed to transport the children to Temora so they can participate in this event.

Good luck to all our students who have entered artworks in the West Wyalong Show. I am confident some of our artists will receive recognition for their excellent efforts.

Last Tuesday Mrs Haworth attended Professional Learning which focused on the introduction of NAPLAN online. Our school will transition to NAPLAN online from 2020.

Next week sees the start of Fruit & Veg Month. This NSW Health promotion event for NSW primary schools puts a positive focus on fruit and vegetables. The theme for this year's event is 'The Adventures of Captain Fruit N Veg!' and it will be held from Monday 2 September to Friday 27 September. Our students will participate in activities that promote and explore healthy eating habits.

Thank you to all the members of the P & C for all their hard work in putting together our fundraiser this Saturday night. The P & C have also organised Father's Day gifts for \$5 per family, to purchase tomorrow.

Congratulations to Crystal Cowan who is our Citizen of the Week. Crystal is an engaged learner who is a respectful, responsible citizen. She is a wonderful friend who is kind and thoughtful. Well done, Crystal!

Have a great week!

Fruit & Veg Month 2019

Our school has registered for Fruit & Veg Month 2019.

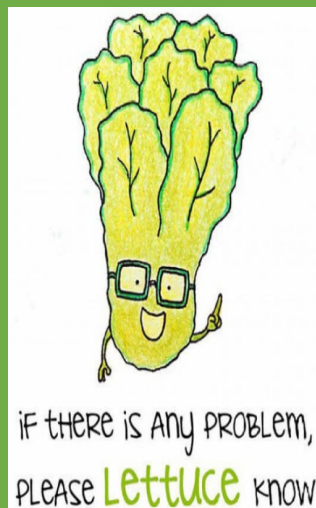

The theme for this year is *The Adventures of Captain Fruit N Veg!* It's all about linking eating fruit and vegetables with good times, superheroes, superpowers and adventures!

Fruit & Veg Month 2019 runs for the last 4 weeks of Term 3, Monday 2nd to Friday 27th September.

As part of Fruit & Veg Month, students will be involved in various school based activities which encourage them to eat more fruit and vegetables.

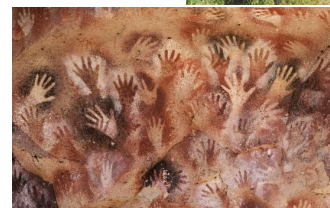

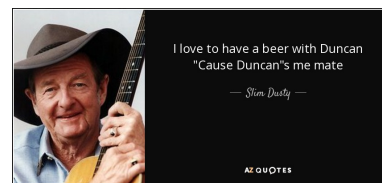

If you require more information on what activities our school is doing for Fruit & Veg Month, please contact the school or your child's teacher.

K/1/2 are talking about artefacts in class this term. Next week for news they are sharing stories about the experience/events/time that is related to something from the past. It might be, for example, an old song, a trophy, a poem, a piece of machinery or a painting. They do not have to bring in the item they are talking about and it doesn't need to be about something that you already have. If a visual representation would be helpful, a picture printed from the internet would suffice. Please help your child practice speaking about the piece they choose, so they can share the story and prompt discussion.

Just being around friends helps us to de-stress and assists in putting our problems into perspective.
