Welcome to Term 3, Week 8

Congratulations to Rowdy Thompson, Lewis Oxenbridge, Dan Quade and Jackson Protheroe for their sportsmanship last Thursday at the Trent Barrett Shield in Temora. A special shout out to Lewis who was named 'Player of the Day'. A big thank you also to Mrs McCullough for travelling with the team.

Our show entries were very successful. Congratulations to all children who received places in their respective sections.

This week we are celebrating the contributions of our School Administration and Support Staff (SASS). We would like to thank Di, Kim, and Mark for their commitment to our school. The work you do for our students and staff is much appreciated.

Today each class helped to plant a rose bush. Thank you Armstrong Toyota, who donated funds to help improve our environment. Nell will also purchase seeds and seedlings for our gardening program.

Good Luck to Jasmine & Jake Burns, Elvis Cowan and Joe Quade who are competing in the Western Athletics Carnival this Friday in Dubbo.

A reminder that our P & C meeting is this Friday at 2 pm in the CAPA room. I am looking forward to seeing you there.

Congratulations to Mary Quade who is our Citizen of the Week. She has been a responsible, respectful citizen both in the classroom and playground. Well done, Mary!

Have a great week!

TRENT BARRETT SHIELD

Last week, Di took Jackson Protheroe, Lewis Oxenbridge, Dan Quade and Joe Thompson to Temora to participate in the Trent Barrett Shield competition. As 4 players does not make a rugby league team, we needed some more team mates. Jake from Temora West Public School was in need of a team, so he played each game with us. The rest of the team was made up of volunteers from a St Anne's Central School team. For a team that had never played together, they did a fabulous job. All the boys put in a great effort, and improved their skills as the day went on. Unfortunately, they didn't win any of their games, but they certainly put their all in and should be very proud of their efforts. Lewis was chosen as our Player of the Day for his consistent effort and determination. More photos can be found on our Facebook page.

National Tree Day

(It's just a bit late and we planted roses instead of trees)

National Tree Day started in 1996 and has grown into Australia's largest community tree-planting and nature care event. It's a call to action for all Australians to get their hands dirty and give back to the community. Armstrong Toyota donated a \$200 voucher to The Old Gum Tree Garden Centre, gloves (which will be very handy for our school gardening program) and shirts (which the kids will be bringing home today). We chose to plant 2 Peace Roses in our Remembrance Garden, to add to the plants dedicated there over the years. We also planted one burgundy standard rose, near the sign at the entrance of our school, purely for the sake of beautifying our school.

Rural and regional school travel

Apply online for free school travel in rural and regional NSW. You only need to complete one form, even for journeys using more than one operator.

Who can apply?

To be eligible for free school travel, students may need to live a minimum distance from their school:

Years K-2 (Infants)

There is no minimum distance.

Years 3-6 (Primary)

More than 1.6km straight line distance or at least 2.3km walking.

Years 7-12 (Secondary)

More than 2.0km straight line distance or at least 2.9km walking.

Who needs to apply

You only need to apply if the student has never been approved for free school travel before. Students in a shared parental responsibility situation (e.g. joint custody) should submit a separate application for both addresses.

How to update your details

You need to update student details online if the student is changing their name, address, school or campus, or their Transport operator. You can update them at [apps.transport.nsw.gov.au/ssts/updateDetails#/updateDetails](http://apps.transport.nsw.gov.au/ssts/updateDetails#/)

How to apply for free travel for the first time

You can apply for free school travel for next year from the start of Term 4 this year.

Step 1

Once you have enrolled your child at the new school, apply online by giving your home address and telling us which bus company the student needs to travel with between home and school. You can apply online at apps.transport.nsw.gov.au/ssts/home#howToApply

Step 2

The school then confirms to us that your details are correct.

Step 3

We will then work on your application. You will get an email confirming if the student is approved for free travel. If so, we will tell your local bus company who may send a school travel pass (if needed) to your school or, in some cases, the bus company will contact you directly about travel arrangements.

A parent or guardian must apply for students aged 15 years and under. Students who are 16 years and over must apply for themselves.
