Welcome to Term 1, Week 3

Last Friday Tallimba and Weethalle students competed in our combined swimming carnival. Well done to all the students who participated. The sportsmanship and effort displayed by our students was commendable. Thank you to the parents who volunteered their time to help as timekeepers. These carnivals would not be able to run as efficiently without your support.

Next Friday, is the Lower Lachlan District Swimming Carnival. Congratulations to Jessica Hardie, Elvis Cowan, Dan Quade, Jude Anderson, Abigail Petrie, Jackson Protheroe & Caleb Protheroe who have qualified to represent our school at this event.

Stage 3 has the opportunity to nominate for the zone trials in a variety of sports. Nominations are due back to school by Friday. In order to self-nominate, you need to be playing the sport competitively and be able to commit to the fixture dates if selected.

The parent meeting times for next Wednesday went home yesterday. If you are unable to make this time, please let us know, so we can organise to reschedule.

This year we will be establishing a student PBL team. This is essentially our Student Representative Council (SRC). Elvis Cowan is the teams student leader and the team will include our captains along with an elected representative from each class. The student PBL team organising teacher is Mrs Green.

Our Citizen of the Week is Nicholas Quade. Nicholas participates in all learning activities with great enthusiasm. He has settled well into Kindergarten and our school setting. Well done, Nicholas.

Have a great week!

 SCHOLASTIC

Book Club

Our school is participating in Scholastic Book Club this year. Up to twice a term, during the school year, I will send home a Club catalogue with a different selection of books offered for all ages.

It is easy to order. The Book Club **LOOP** platform for parents allows you to pay by credit card. Your child's order is submitted directly to school safe and sound and the books will be delivered to class. You can place your child's order at scholastic.com.au/LOOP or using the **LOOP** app, which can be downloaded from the App Store or Google Play.

Owning your own books is something special! I hope that you will encourage your child to order books this year. Each order helps earn free books and teaching materials for our classroom, however there is never any obligation to order. I know of no better way to encourage reading than to allow children to choose the books they want to read.
