## Welcome to Week 5

Congratulations to our students who participated in the Lower Lachlan PSSA swimming carnival at Lake Cargelligo, last week. All the students swam well and represented our school with pride. Thank you to our parents who transported children to this event and Ms Imrie for timekeeping.

This week is our first formal assembly for the year. The assembly will be held in the Library and commence at 2pm.

This Friday, all students will join in the 'Clean up Australia' campaign. This nationwide day of action brings into focus the importance of disposing of our rubbish in an appropriate way and how working together we can help the environment.

The Library borrowing program is going well this term and we thank those students who returned their books back on time. The secret to their success, is that at home they leave their library books and bag in the same spot when they are not being read. This reduces the chances of them being lost. We also encourage students to pack their library bags the night before they have library, as we all understand that mornings can be busy.

Well done to Lewis Oxenbridge who is our Citizen of the Week. Thank you, Lewis, for your efforts unlocking and locking the cubby and sports equipment box in the playground each day. Your reliability and willingness to contribute your time each day is impressive.

Have a great week!

## SWIMMING CARNIVAL

A huge congratulations to our students, Jude, Jessica, Dan and Elvis who travelled out to Lake Cargelligo to compete at the Lower Lachlan District Swimming Carnival on Friday 21st February.

The students should be extremely proud of their achievements. Also thank you to our parents who transported the children and were willing to lend a hand on the day when needed.

**TARONGA ZOO**

## REMINDER:

Please return your Zoo mobile permission notes and money to the office as soon as possible.

We will be participating in Clean Up Australia this Friday 28th February, at 10:00am. Students and staff will be picking up rubbish around the school grounds and surrounding streets.

Please remember to notify the school if your child is not at school for any reason. The school is required to record explanations for any absences as a way of ensuring that students are absent from school only when they are sick or have another acceptable reason for missing school.

If you are able to explain any absences within seven days of their occurrence we will adjust our records. You can send a note in when your child returns to school, send an email or give us a call.
