Welcome to Week 8

Congratulations to Teleah Oxenbridge for being recognised as the Be a Good Citizen fortnightly winner. It's always inspiring to see individuals who actively uphold values such as respect, responsibility, and citizenship. Recognition like this not only celebrates the achievements of the individual but also reinforces the importance of these values within the school community. Full credit to Teleah for setting a positive example for others to follow.

Our PBL focus for this week is **Care for all property**. A good way to show care for property is to ask when borrowing things and take good care of what you borrow. It is important to put things back where you found them after you have finished using them. With this in mind, we kindly ask you to check for any school library books at home. The library is closed for 2023, and returning any found books would be greatly appreciated. You can hand them in with Miss Imrie at the front office.

It is great to hear that intensive swimming has had a fantastic start, with positive comments from Miss Lord and Mrs Haworth about the students' enthusiasm and behaviour. Well done to everyone involved!

As we approach the end of the school year, I wanted to share another important update regarding staffing changes at Tallimba Public School in 2024.

It is with mixed emotions that we bid farewell to Miss Kadi Lord, who has been a dedicated member of our school community for the past couple of years. Miss Lord has informed us that she will not be returning next year as she embarks on new endeavors. We would like to take this opportunity to express our heartfelt gratitude for the significant contributions she has made during her time at our school. Her dedication, passion, and hard work have left a positive impact on both students and colleagues alike. We wish Miss Lord all the best.

As we say goodbye to Miss Lord, we also want to assure you that the recruitment process is underway, and we are committed to finding an educator who shares our values and is dedicated to providing the best possible learning experience for our students.

Congratulations to Hannah Quade and Maison Turnbull, who were drawn out of the PBL reward ticket box and are our PBL Stars of the week. Well done to all our students who were recognised throughout the week. Good luck in next week's draw.

Have a great week!
