Monday, 1 April

- Easter Monday Public Holiday

Friday, 5 April

- Sport
- Library

Week 11

Friday, 12 April

- Sport
- Library
- Assembly 2 pm

Anita Oxenbridge

**'Be a Good Citizen'
Award**

Welcome to Week 9

Congratulations to Anita Oxenbridge who received the *Be a Good Citizen* Award this week. Anita contributes positively to all aspects of school life and upholds our school values of respect, responsibility and citizenship. Well done, Anita, for showing the initiative to help others!

Our Positive Behavior for Learning (PBL) focus for this week is to 'Be kind'. The students will be reminded that the end of the term can make us excited, nervous and tired. Everyone deserves kindness, so it's important that we maintain a positive attitude to learning and treat others fairly.

Last Friday, Tallimba Public School students joined with students from other schools to attend the Animals of the Dreaming Zoomobile program. The students enjoyed the focus on native animals and Dreamtime. The Primary students then attended a viewing of the movie *Blueback*, an English novel they have studied in class, whilst the Infants class visited the Wyalong Museum, to learn about artefacts from the past. The students are to be congratulated on their behaviour and a wonderful day of learning.

The library borrowing program is going well. Thank you to those students who return their books on time. Next week will be the last week for book borrowing this term.

The Easter raffle is the PBL team's current fundraiser. Funds raised will go towards the Year 6 shirt, end of year present to the school and purchasing more PBL prizes. Thank you to all those who have contributed to this.

Our end of term assembly will take place on Friday 12th April. We are looking forward to seeing you there.

Congratulations to Anita and Teleah Oxenbridge who were drawn out of the PBL Reward Ticket box and are our PBL Stars of the week. Well done to all our students who were recognised throughout the week. Good luck in next week's draw.

School Holidays are fast approaching. Our last day of school this term is Friday 12th April. The first day back for Term 2 will be Tuesday 30th April, with the staff returning on Monday 29th April for the School Development Day.

Enjoy your Easter long weekend!

Save the Date

Our combined cross country carnival will be held at Weethalle Golf Club on Friday, 3rd May 2024. (Term 2, Week 1)

Put this on your **CALENDAR**

Our end of Term 1 assembly will be held on **Friday, 12th April** from 2 pm to 3 pm.

ANZAC DAY

Let's We Forget

ANZAC day in Tallimba will once again be a community gathering.

The March will start promptly at 3 pm. Please gather in the main street at 2:45 pm. The full service and afternoon tea will be held in the park again this year.

\$5 per adult for afternoon tea.

If each family could please bring a plate of Anzac biscuits, it would be much appreciated.

Tallimba Hall Committee

CROSS COUNTRY TRAINING

Please remember that Cross Country training has started. Please ensure students wear their joggers to school every day.

K-1 with Mrs Jones

Science

In Science, K-1 are learning about living things.

Students picked flowers and learnt to use a magnifying glass by looking closely at the parts of a plant.

We then created posters for the classroom.

After this, they learnt how a flower drinks by placing flowers into a cup of coloured water and observing the petals changing colour, from white to the colour of the water.

Maths

In Maths, K-1 are learning about Length and Area.

Students observed items around the classroom to see which was longest and shortest.

We measured our shoes against each other to see who has the biggest foot and see who was the tallest.

Now we are learning about the area of a shape. We have drawn our own maps of the school to compare the area of each building.

3-6 with Mrs Jones

English

In English, 3-6 are strengthening their handwriting, spelling and comprehension skills.

Students complete spelling word lists daily, dictionary meanings, read their fluency passages and complete handwriting activities.

They are also studying the text 'Desert Lake'.

This text has leadto our research into Australia, why you should visit here, our favourite places and what makes Australia unique.

Our Classroom

The students are very proud of their classroom and space. They have organised the room to ensure it provides the best learning environment. We are able to work as a team, have space for activities on the floor, desk space for researching, work displayed around the room for colour and excitement, and organisation, to ensure we are ready for each lesson. Enjoy these photos :)

HARMONY DAY

Last Thursday, we celebrated Harmony Day. The students came dressed in mufti, wearing the colour orange or bright colours. We participated in Harmony Day activities throughout the day and finished with a disco and glow sticks.

Zoomobile, Tivoli & the Wyalong Museum
