PBL Fortnightly Focus

Moving safely means watching where we are going. This includes concrete areas, lining up after breaks and for class.

Welcome to Week 10

Our PBL focus for this fortnight is to move safely. Moving safely means watching where we are going. This includes concrete areas, lining up after breaks and for class.

Thank you to everyone who attended our Easter celebrations last week. It was fantastic to see our school abuzz with visitors. The students had a wonderful day participating in the Easter activities – of course, the Easter egg hunt was a big hit! Maison Turnbull was named the winner of our Easter hat parade, with his glittery, rainbow coloured creation. Congratulations to the winners of our raffle – Bella P who won first prize and to our second prize winner, Dot Hueske.

A reminder that ANZAC Day will take place during the school holidays. ANZAC Day will once again be a community gathering. It would be appreciated if students could attend, as this marks a significant day in our history. Students are to wear full school uniform and meet at Tallimba Park at 2:45 pm, in time for the march to commence at 3 pm.

We are looking forward to seeing you next Friday at 2 pm for our end-of-term assembly. This will be held in the library.

Congratulations to Astrid Everett and Mary Quade who were drawn out of the Positive Behaviour for Learning (PBL) Reward Ticket box and are our PBL Stars of the week. Well done to all our students who were recognised throughout the week. Good luck in next week's draw.

Enjoy your weekend!

5-6 History with Mrs Quade

Year 5 and 6 have been developing their understanding of migration and its impact on the development of Australia as a nation. They have investigated migration statistics and used information they have researched about migration policies to make a vertical timeline which shows where most people migrated from and how the migration policy of the time influenced this. As a class, we discussed how the points of view of migration have changed over time. The students enjoyed listening to *The Little Refugee*, a story written by Anh Do (a well-known refugee from Vietnam). They were able to make connections to this story through their knowledge of migration policies, events such as the Vietnam War, as well as viewing photographs and hearing stories of Vietnam, from a personal viewpoint. The students are now focusing on the contributions that groups have made to the development of the Australian society. For example, the Royal Flying Doctors, the Snowy Hydo Scheme and Country Women's Association (CWA).
