- Library 5-6
- Western Athletics—Dubbo

Wednesday 19th September

- RIEN Public Speaking

Friday 21st September

- Round Robin—Rankins Springs

Tuesday 25th September

- School Photos

Welcome to Week 8!

We are excited about the author Bernard Caleo visiting our school tomorrow. In 2016, Bernard was awarded a Platinum Ledger award – the [Ledgers](#) recognise excellence in Australian comics. I'm sure the students will gain a great deal from this award winning artist. Thank you to the Bland Shire for facilitating this event for our school.

We wish Jasmine Burns the best of luck as she competes in the Western Athletics in Dubbo this Friday. I am the Western Athletics Team Manager so I will also be in Dubbo on Friday. It will be awesome to be able to support Jasmine in person and of course all the other students from the Lower Lachlan district.

The Round Robin sporting event hosted by Rankins Springs is rapidly approaching. Our K-2 students will be involved in tabloid activities while the primary children will be representing us in both soccer and netball.

A note will be sent home later this week with more detail. I would like to thank the

P & C for supporting this event by subsidising the bus travel.

Please be reminded if your child has a variation to their usual travel arrangements after school, you need to contact the school to make us aware of this change either by a phone call or in writing.

With the warmer weather approaching, it is lovely to be able to reward students with dojos for remembering to wear their hats. Well done to you all.

This week is the last week for borrowing books from the library for this term. Please check at home for any library books that need to be returned before the end of term.

Congratulations to Chelsea Leonard who is our citizen of the week. She is often seen in the playground helping others. Chelsea sets high standards for herself and always strives for her personal best. Keep up the excellent work, Chelsea.

*Melanie Johnson
Relieving Principal*

SCIENCE WITH MRS JOHNSON

What happens when yeast is mixed with sugar and water? Students were presented with this question and then performed an experiment to find the answer.

Before the experiment took place, students were asked to predict what they thought would happen.

They prepared the experiment and left it overnight, recording their results the following morning.

Activity steps

- 1 Make labels for the four bottles, with your team members' names and the following information:
 - Bottle 1: water + yeast
 - Bottle 2: water + yeast + sugar
 - Bottle 3: water + sugar
 - Bottle 4: yeast + sugar
- 2 Place the funnel in the mouth of each bottle and add the following ingredients:
 - Bottle 1: $\frac{1}{2}$ cup warm water + $\frac{1}{2}$ teaspoon active dry yeast
 - Bottle 2: $\frac{1}{2}$ cup warm water + $\frac{1}{2}$ teaspoon active dry yeast + $\frac{1}{4}$ cup sugar
 - Bottle 3: $\frac{1}{2}$ cup warm water + $\frac{1}{4}$ cup sugar
 - Bottle 4: $\frac{1}{2}$ teaspoon active dry yeast + $\frac{1}{4}$ cup sugar
- 3 After you add the warm water, quickly put the opening of the balloon over the mouth of the bottle. Pull the stem part of the balloon down so that it will not come off easily. If it is loose, stick it down with a piece of masking tape to make it airtight.
- 4 Mix the contents of each bottle gently.
- 5 Observe the bottles carefully. In your science journal, write and draw what you can see. Write a prediction about what you think will happen to each bottle and balloon over the next hour.
- 6 Leave the bottles in a warm place for one hour. After an hour, check the bottles and balloons.
- 7 Record your observations.
- 8 If possible, leave the experiment overnight and record results again in the morning.

Next week ITAV will be visiting Tallimba. Julie and I will be providing a play session for the children, Acrylic Pour Painting for the adults and a light morning tea.

We will also use this opportunity to chat to everyone about upcoming sessions. Julie and I would love to know what the community of Tallimba would like us to source, provide or explore.

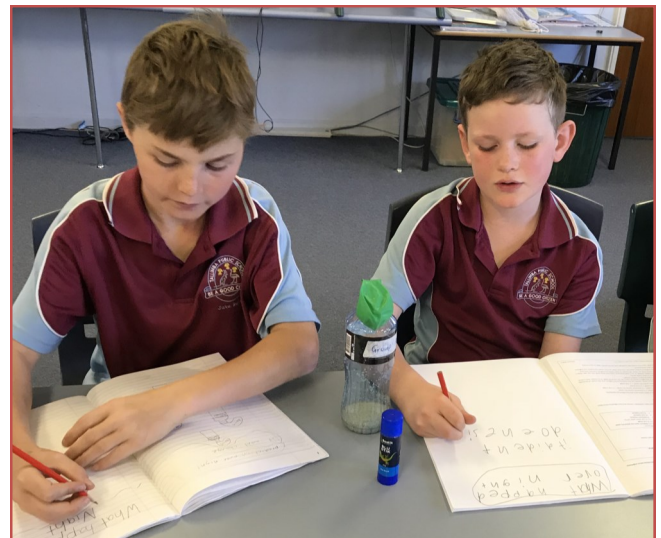

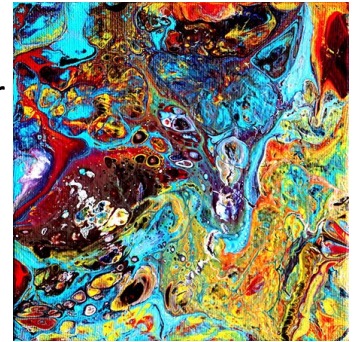

Toy Library will be available.

Date: Wednesday 12th September

Time: 10:30am- 12:30pm

Venue: Tallimba Hall, Tallimba.

Griffith Regional Theatre presents:

OFF THE BEATEN TRACK
Want to be on TV?
 Acting to camera, 3 day workshop in Griffith

With Disney star, **Bardiya Mckinnon** (As the Bell Rings, In Your Dreams)

EARLY BIRD SPECIAL \$55 OFF by 17th September

HIGH SCHOOL MUSICAL

LADY GAGA

Lights, Camera, Action!

Do you want to learn how to act? Say "YES" and have fun performing in front of a camera. Learn how to think on the spot, improvise and work as a team. We will learn how to do chats to camera, presenting, commercial and tv scripts all in front of the camera. Three jam packed days of FUN!

Email olivia@offthebeatentrack.biz to enrol today

Venue	Griffith Regional Theatre
Ages	6 - 12 years old
Dates	4th and 5th October 2018
Time	10.00am - 3.00pm
Cost	\$250 (Early Bird is \$195) <small>Payment plan available to those in financial hardship.</small>
